

School Reports and Exam News

School Reports 2008

At this time of year the school would normally publish an end of term school report. Unfortunately, despite the reports being completed by all teachers, we are unable to generate the reports at this time. The problem is a technical one and is being urgently worked upon by the schools Management Information System provider. We trust that the problem will be resolved shortly and the reports will be published early September.

GCSE Results Collection

GCSE results will be ready for collection on the 21st August between 12 midday and 1.30pm. If you cannot collect your results between these times, please call the school and we will arrange a convenient time to for you to collect. If you wish a parent or sibling to collect your results for you, we will need written consent from you in advance to do this. No results will be posted out to students, as there is a risk they may be lost in the post. Any uncollected results will be held in the exam office.
