

## BOOSTER

Targets specific students as they prepare for National Tests and Exams at the end of each Key Stage. This club will cater for selected students, not just for those students who require additional help, but also for Gifted and Talented.

## CURRICULUM

This is a voluntary club allowing students to extend their subject knowledge and interest beyond the classroom curriculum.

## SPORTS

Is a voluntary club allowing training for inter-school matches and development of skills in a wide range of 'alternative' sports.

## PERFORMING ARTS

Focuses on all aspects of performance and expressive arts and will include preparation for shows and concerts, plus development of skills such as set-design and stage lighting. These clubs will be practical in nature and will run at different times as appropriate throughout each academic year.

### SPECIALIST ARTS COLLEGE

*"Challenging all to Achieve, Respect and Excel"*

*The most important aspect of the Extended Day Activities is the **LEARNING.***

*Students also have the opportunity to socialise and meet new friends!!*

*We encourage our students to attend as many clubs as possible. Students are responsible in informing parents/carers of their attendance.*

*To sign up for a club students go to the appropriate room on the night indicated and sign up with the member of staff.*
